Switchgear Solutions Ltd. NY & NJ

NY⚡NJ

Switchgear Solutions NY & NJ is a power and distribution equipment supplier servicing the metro New York and New Jersey markets as well as transit markets around the country. Our mission is to aid consultants in the design stage for customized equipment applications, work with contractors on bidding technically and commercially compliant projects and support our distribution and OEM partners in packaging the correct equipment. Our project focus is on substation packages, switchyards, replacement transformers, traction power transformers, metal clad utility approved switchgear, power distribution centers, and Supervisory Control and Data Acquisition (SCADA) systems.

High Voltage Distribution

Substation/Switchyard Packages including the following scope:
Steel Structures, Aerial Bus, Insulators
Connectors, Air Switches, CT's, PT's, Surge Arresters,
SF6 Dead Tank Circuit Breakers

Medium Voltage Distribution

Metal Enclosed Load Interrupter Switchgear
Low Profile Pad Mounted 15 & 25KV Switch & Fuse
Custom Metal-Clad Drawout Circuit Breaker Switchgear
Generator Breakers, Utility Primary Metering Cubicles
MV Segregated, Non-Segregated Busway
Arc Resistant Switchgear, Paralleling Switchgear
MV Disconnect able Joints, Separable Elbows

Low Voltage Distribution

UL 1558 & UL 891 Drawout Circuit Breaker Swgr & Switchboards
Unit Substation Secondary Switchgear
Generator Connection Cabinets
LV Segregated, Non-Segregated Busway
Network Protectors & Accessories
Network SCADA Equipment & Integration

Transformers

Medium & Large Power XMFERS (5MVA to 650MVA/750kV)
UL Listed Cast Coil XMFERS, Liquid Filled Pole XMFERS
PadMounted XMFERS
Dry Type Substation/Drive Isolation XMFERS
General Purpose XMFERS
Ultra-Efficient & Harmonic Mitigating XMFERS
Remanufactured/Refurbished XMFERS (Rental/Sale)
Transformer Application/Design/Core-coil Replacements/Retrofit

Services

Power Sys Studies including Short Circuit Coordination & Arc Flash
Retrofit/Remanufacture/Match & Lineup of Existing Switchgear
Circuit Breakers & Starters
Start-up & Testing of Equipment Packages
NYC Advisory Board Submissions, Equipment Composite Dwgs

Miscellaneous

Power Control Centers/Modular Switchgear Enclosures
Neutral Grounding Resistors
Unitized Substations w/Composite Drawings
AC/DC Power Supply & Battery Systems
New/Refurbished Circuit Breakers/Switches
Bus Plugs/MCC Buckets/Strap Kits

Certifications

NYNJ NMSDC MBE
State of New Jersey Certified MBE
State of New York Certified MBE (Empire State)
New York City Certified MBE
Nassau County Certified MBE
PANYNJ Certified DBE
